

Instructor, Nautical School of Trades and Technology

Posting: B17-11 **Closing Date:** September 15, 2017
Position Type: Continuing **Workload:** Full-time
Start Date: October 30, 2017

Camosun College is a comprehensive community college located on the traditional territories of the Coast and Strait Salish peoples serving the people of the Greater Victoria Region of British Columbia. Guided by an inspiring strategic plan and administered by a professional community of talented faculty, staff and senior executives, Camosun enrolls 18,000 learners each year, including over 1,100 Indigenous students and 1,100 International students. The College has an operating budget of over \$123 million. Across two campuses, Camosun offers more than 160 certificate, diploma, and bachelor's degree programs in arts, sciences, business, health and human services, trades, technologies, sport education, Indigenous studies and adult upgrading. The College is committed to values of relationship with community, inclusiveness, and respect. As a community, we commit to the process of Indigenization of the college – including both programs and services - and to use this learning to improve the learning experiences for the exceptionally diverse range of student needs and backgrounds present within the Camosun community supporting the commitment to lifelong learning and positive student experiences.

The School of Trades and Technology seeks applications from qualified candidates for a full-time Instructor in the Nautical Department.

Camosun's Nautical department has a long and proud history of providing a range of training from Basic Safety to long duration courses leading to a Certificate of Competency as Master or Mate, issued by Transport Canada, Marine Safety Branch.

The successful candidate is expected to:

- Demonstrate a commitment to the scholarship of teaching; and actively participate in a learning centered college environment while promoting excellence in program discipline
- Plan, organize and evaluate teaching approaches and outcomes to maximize student learning
- Demonstrate a commitment to current and trending philosophies and practices

- Participate in professional activities that contribute to the educational goals of the department, school and the College
- Contribute to program curriculum development processes
- Possess a willingness to do course development to be presented to Transport Canada
- Adhere to and demonstrate compliance with teaching related policies, procedures and protocols
- Serve on departmental, school and/or organizational committees
- Demonstrate excellence and respect in verbal and written communications
- Contribute to and cultivate collegial and collaborative work relationships
- Be familiar with and thrive in a BC post-secondary education setting
- Possess the skills and willingness to engage in peer level leadership activities and assignments
- Be computer literate with MS Office programs (ie. Outlook, Word)
