Camosun College is a comprehensive community college located on the traditional territories of the Coast and Strait Salish peoples serving the people of the Greater Victoria Region of British Columbia. Guided by an inspiring strategic plan and administered by a professional community of talented faculty, staff and senior executives, Camosun enrolls 18,000 learners each year, including over 1,100 Indigenous students and 1,100 International students. The College has an operating budget of over \$123 million. Across two campuses, Camosun offers more than 160 certificate, diploma, and bachelor's degree programs in arts, sciences, business, health and human services, trades, technologies, sport education, Indigenous studies and adult upgrading. The College is committed to values of relationship with community, inclusiveness, and respect. As a community, we commit to the process of Indigenization of the college – including both programs and services - and to use this learning to improve the learning experiences for the exceptionally diverse range of student needs and backgrounds present within the Camosun community supporting the commitment to lifelong learning and positive student experiences.

The School of Trades and Technology seeks applications from qualified candidates for a full-time Instructor in the Metal Trades Department.

Camosun College Motor Vehicle and Metal Trades department requires temporary, part-time Instructors to teach in the Sheet Metal Program at our Interurban Campus. Responsibilities

Faculty Position Vacancy - B17-12 MMT- Sheet Metal Trades.docx

include: instruction to apprentice or entry level students; short-term coverage for full-time Instructor release; preparing and presenting classroom lectures and practical demonstrations; and working collectively with our Sheet Metal Program Leader.
