

Health and Human Services

Part- Time Medical Laboratory Assistant (MLA) Program Instructor

July 26, 2017

The **School of Health & Human Services Continuing Education Department** requires a qualified and enthusiastic instructor(s) to teach the course modules for Introduction to Phlebotomy, Lab Safety, and Anatomy & Physiology to MLA students in our certificate program. Classes are held on Tuesday and Thursday evenings (6 PM – 9 PM) within the months of September – January. All classes take place at Lansdowne Campus.

Explore our program here: <http://camosun.ca/learn/programs/medical-laboratory-assistant/index.html>

Candidate qualifications:

- Bachelor's Degree in a field related to Laboratory Science, Biology, Adult Education, or relevant, related equivalent
- Certificate from a recognized Medical Laboratory Assistant program, certification by examination from the Canadian Society for Medical Laboratory Science, or equivalent
- Five years of Medical Laboratory experience
- Teaching experience in post-secondary environment, workplace, and/or adult education
- Computer Expertise

Salary is commensurate with education and experience.

Please **email** your letter of application and resume detailing how you meet these qualifications in confidence to:

Lynelle Yutani RTR, RPA/RRA
Chair, Department of Allied Health & Technologies
School of Health & Human Services
Camosun College, Lansdowne Campus

Email: yutanil@camosun.ca

We would like to thank everyone in advance for applying, as only those selected for an interview will be contacted. The posting will remain open until the position is filled.

**The Camosun College Continuing Education calendar of courses
is available online at: www.camosun.ca/cc**

Closing date: 4:00 pm Friday, August 4, 2017
