

QUALIFICATIONS

Two-year diploma in post-secondary education in chemistry with two years of relevant laboratory experience or an equivalent combination of education and experience. Additional basic knowledge in geoscience, biochemistry, and/or biotechnology and in computer software applications. The ability to work effectively as part of a team.

All interested candidates are encouraged to apply; to be considered for employment, applicants must meet the qualifications of the position and be eligible to work in Canada.

Apply online at www.camosun.ca/careers. We would like to thank everyone in advance for applying as only those selected for an interview will be contacted.
