Camosun College is a comprehensive community college located on the traditional territories of the Coast and Strait Salish peoples serving the people of the Greater Victoria Region of British Columbia. Guided by an inspiring strategic plan and administered by a professional community of talented faculty, staff and senior executives, Camosun enrolls 18,000 learners each year, including over 1,100 Indigenous students and 1,100 International students. The College has an operating budget of over \$123 million. Across two campuses, Camosun offers more than 160 certificate, diploma, and bachelor's degree programs in arts, sciences, business, health and human services, trades, technologies, sport education, Indigenous studies and adult upgrading. The College is committed to values of relationship with community, inclusiveness, and respect. As a community, we commit to the process of Indigenization of the college – including both programs and services - and to use this learning to improve the learning experiences for the exceptionally diverse range of student needs and backgrounds present within the Camosun community supporting the commitment to lifelong learning and positive student experiences.

As our name suggests, the School of Access opens doors! We offer an excellent career exploration program to help identify career goals and a post-secondary plan to help students reach them. We also provide programs that help students overcome barriers and gain basic skills for entry-level employment.

The Academic and Career Foundations Department seeks applications from qualified candidates to fulfill substitute and short term instructional assignments (sessional). These upgrading English teaching assignments include courses at the ABE Fundamental level, which includes basic literacy, and Intermediate levels. Classes are multi-level, and self-paced, and include teaching reading, reading comprehension, writing, grammar and punctuation.

Successful candidates will be joining a dynamic team of educators who are committed to providing friendly and caring learning experiences in an adult environment to prepare students for further academic studies or employment in the Canadian workplace.

The successful candidate(s) is expected to:

- Demonstrate a commitment to the scholarship of teaching and actively participate in a learning centered college environment while promoting excellence in program discipline
