

***Instructor,
Civil Engineering
School of Trades and
Technology***

Posting: Y17-80	Closing Date: December 13, 2017
Position Type: Term	Workload: Part-time
Start Date: January 1, 2018	End Date: April 20, 2018

Camosun College is a comprehensive community college located on the traditional territories of the Coast and Strait Salish peoples serving the people of the Greater Victoria Region of British Columbia. Guided by an inspiring strategic plan and administered by a professional community of talented faculty, staff and senior executives, Camosun enrolls 18,000 learners each year, including over 1,100 Indigenous students and 1,100 International students. The College has an operating budget of over \$123 million. Across two campuses, Camosun offers more than 160 certificate, diploma, and bachelor's degree programs in arts, sciences, business, health and human services, trades, technologies, sport education, Indigenous studies and adult upgrading. The College is committed to values of relationship with community, inclusiveness, and respect. As a community, we commit to the process of Indigenization of the college – including both programs and services - and to use this learning to improve the learning experiences for the exceptionally diverse range of student needs and backgrounds present within the Camosun community supporting the commitment to lifelong learning and positive student experiences.

The School of Trades and Technology seeks applications from qualified candidates to fill the position of Term Part-time instructor in the Civil Engineering department.

The Civil Engineering Technology Program is a 2-year program with comprehensive coverage of civil engineering applications including: surveying, structural design, soil mechanics, AutoCAD drafting, highway design, water and sewage treatment, hydrology, project management and urban infrastructure design and rehabilitation.

The successful candidate will be involved in delivering the *CIVE 131 – Graphical Communications 1* course within our program. The candidate will demonstrate strong

organizational abilities, leadership skills, excellent interpersonal communication skills, and an ability to work effectively with teams. They must have a strong interest in student success and values in alignment with the Strategic Plan of the college.

The following is required for successful employment at Camosun College:

- A demonstrated commitment to the scholarship of teaching learning
- Active participation in our learner centered environment while promoting excellence in program discipline
- Ability to plan, organize and evaluate teaching approaches and outcomes to maximize student learning
- Commitment to current and trending philosophies, practices and advancements
- Adherence to and compliance with teaching related policies, procedures and protocols
- A willingness to serve on departmental, school and/or organizational committees
- Engaged participation in professional development activities that contribute to the educational goals of the department, school and the College
- Contributions to the curriculum development process
- A consistent demonstration of excellence and respect in verbal and written communications
- An ability to contribute to and cultivate collegial and collaborative work relationships
- Capable of thriving in a BC post-secondary education setting that's welcoming and relevant to Indigenous learners and helping to prepare non-Indigenous students, graduates and employees to better understand, live alongside of, and work with Indigenous peoples.
- A commitment to sustainable practices within our environment and society
- Comfort and familiarity with educational technology and MS Office programs (Outlook, Word)

QUALIFICATIONS

Minimum Qualifications:

- Degree in Civil Engineering or Diploma of Civil Engineering Technology with 5 years of Canadian or American engineering experience
- Expertise and work experience in the area of AutoCAD drafting
- Mastery of MS Office

Preferred Qualifications:

- Above, plus experience in adult education and/or possession of a Provincial Instructor Diploma (PID)

Salary is commensurate with education and experience as per the collective agreement.

All interested candidates are encouraged to apply; to be considered for employment, applicants must meet the qualifications of the position and be eligible to work in Canada.

Apply online at www.camosun.ca/careers. We would like to thank everyone in advance for applying as only those selected for an interview will be contacted.
