

Instructor, Computer Science

School of Trades and Technology

Posting: Y17-81	Closing Date: December 12, 2017
Position Type: Term	Workload: Part-time
Start Date: January 01, 2018	End Date: April 20, 2018

Camosun College is a comprehensive community college located on the traditional territories of the Coast and Strait Salish peoples serving the people of the Greater Victoria Region of British Columbia. Guided by an inspiring strategic plan and administered by a professional community of talented faculty, staff and senior executives, Camosun enrolls 18,000 learners each year, including over 1,100 Indigenous students and 1,100 International students. The College has an operating budget of over \$123 million. Across two campuses, Camosun offers more than 160 certificate, diploma, and bachelor's degree programs in arts, sciences, business, health and human services, trades, technologies, sport education, Indigenous studies and adult upgrading. The College is committed to values of relationship with community, inclusiveness, and respect. As a community, we commit to the process of Indigenization of the college – including both programs and services - and to use this learning to improve the learning experiences for the exceptionally diverse range of student needs and backgrounds present within the Camosun community supporting the commitment to lifelong learning and positive student experiences.

The School of Trades and Technology seeks applications from qualified candidates to fill a part-time term instructor position in our Computer Science Department to teach **ICS 221 Web Services**. The position is ideally suited to a candidate who is skilled in a variety of programming languages including ASP.NET, C# as well, RESTful API and Visual Studios. The successful candidate will have responsibilities for instruction and associated duties for the lecture component as well as coordinating and instructing the laboratory portion of the course.

This course will be offered at the Interurban Campus.

The following is required for successful employment at Camosun College:

- A demonstrated commitment to the scholarship of teaching learning
